Mähler-Besse, is one of Bordeaux's most respected negotiants and principal owners of one of Margaux's most revered wines, "Château Palmer".

Cheval Noir has been a thoroughbred of the Mähler-Besse stable for over 60 years. This famous brand takes its name from the Cheval Noir Estate in the western part of the Saint-Emilion appellation, acquired by Mähler-Besse in 1937.

**From legend to passion...**

**CHEVAL NOIR**

**TASTING NOTES :** The wine has a fine, complex nose which combines ripe, red fruits with notes of grilled toast and spices. In the mouth it is rich, structured and powerful, perfectly balanced between fruit and tannins, with a long finish.

Great Bordeaux value at your local LCBO store.
