

Coach Nomination Form

Each year we celebrate our coaches by selecting a Coach of the Year.

Coaches and Instructors are some of the most skilled and versatile people in the sport, and it's a challenge to select only one worthy coach, so this year we're going to switch it up!

In addition to the Award to Ontario's **Coach of the Year**, all qualified coaches and Instructors nominated will be highlighted through our social media over the next few months and into 2020!

Here are the guidelines to nominate a coach or instructor:

- Send us a short explanation of why they should receive this award (no more than 150 words please)
- They must be an active NCCP Certified Coach or Instructor
- They must reside in Ontario and be a member of Ontario Equestrian

The selection will be made after reviewing all of the nominations, with attention to:

- The length of time they have been active in the sport and certified
- Their achievements
- Their athletes achievements
- Commitment to the health and wellness of both the human and equine athlete
- Demonstrated commitment to continuing education and skill development
- Attention to the development of their students as athletes and in their personal growth

The coach or Instructor must sign the nomination form, agreeing to accept the award if they are selected, and the award will be presented at The Royal Agricultural Winter Fair.
